

Securities Transfer Form

This form is used to transfer the ownership of a security from the registered shareholder to another. In most cases, the new registered owner receives the certificate and the Securities Transfer Form and presents them to the transfer agent for re-registration. If the new registered owner is an individual, he or she should provide their social insurance number.

The Securities Transfer Form includes the appointment of an attorney, to act on behalf of the transferee to register the transfer. Please leave the space following “hereby irrevocably constitutes and appoints” blank as Equity Transfer & Trust Company is the attorney which will complete the transfer. If this part of the panel is completed Equity will require a Power of Substitution.

Before the transfer can be registered, the signature(s) on the Securities Transfer Form must be guaranteed by a financial institution that is a member of a recognized Medallion Signature Guarantee Program.

If the Securities Transfer Form is signed by someone other than the registered holder, the individual signing must indicate their capacity to sign on behalf of the registered holder.

For more information on the legal requirements applicable to the transfer of securities, please check the guidelines on the Securities Transfer Association of Canada’s website - <http://www.stac.ca/Public/PublicShowFile.aspx?fileID=94>

To complete the form, you may either put the required information in the spaces provided and print the form or print it and then fill it in by hand.
